

2021 Bowen Biweekly Bill Brief (B4)

Produced by Bowen Center for Health Workforce Research and Policy

Methods

Objective

To provide stakeholders with an update on legislative initiatives relating to Hoosier health, especially those initiatives with direct implications for the health workforce.

Disclaimer Prior to Analysis

The purpose of this document is not to make any type of recommendation in support or opposition of any policy initiatives. Rather, the intent of the B4 is to provide a summary of policies in an organized, digestible, objective format to inform stakeholders of relevant policies/initiatives. We strive to keep our content and documents accurate, current up to date. However, because the legislative session changes rapidly, we cannot guarantee that all the information on the site and services are completely current. Additionally, the information we provide in the B4 is not legal advice and is not guaranteed to be correct, complete or up to date.

Review of Introduced Legislation

At the beginning of Indiana's 2021 legislative session, Bowen Center research staff identified health-related legislation by reviewing bill titles and digests for health-related topics.

Inclusion/Exclusion Criteria

Only the bills deemed to be directly related to health are included in the B4. Bills with an indirect or secondary impact to health are excluded, along with any bill without text (vehicle bills) or those primary intent changed significantly since the bill's initial introduction. Bills with a specific and direct implications for the health workforce are distinguished separately on the spreadsheet.

Results are provided in Figure 1. In total, there were 145 bills identified with a direct impact on health. Of those, 52 bills were determined to be directly related to the health workforce (referred to hereafter as "health workforce bills"). There are also 12 bills of the 145 bills identified with direct impact on health that are related to COVID-19.

Reporting: Mechanism & Frequency

A spreadsheet was created which included the following information on all identified health bills: Status (Active/Dead), Bill Title, Bill Number (and link to iga.in.gov), Primary Topic, Summary/Health Workforce Implications, Primary Author, Chamber, and Step in the Legislative Process. After the first half of the legislative session concludes, many of the original bills from the spreadsheet will be defeated. Health workforce bills that are still "alive" in the second half of the session will be updated in the spreadsheet in the spreadsheet and highlighted in a summary graphic. After the B4's initial release, this spreadsheet is updated bi-weekly and disseminated online.

Figure 1.

Status		Active
		Dead
Bill Title	Obtained from iga.in.gov listing.	
Bill Number	As assigned on iga.in.gov listing., ■ = Directly related to health workforce ■ = Health-related (may or may not have implications for health workforce)	
Topic(s)	Health care Workforce	
	Behavioral Health (substance use and mental health)	
	Corrections	
	Health care costs	
	Health care facilities	
	Insurance	
	Maternal/Child Health	
	Oral Health	
	Other	
	Prescription drugs	
	Prevention & awareness (public health, infrastructure, and healthy and active living)	
	Safety net (TANF, SNAP, Medicaid, etc.)	
	School Health	
Summary/Health Workforce Implications	Summary as written in the bill's digest.	
Primary Author	The author that initially introduced the bill.	
Chamber	The chamber where the legislation currently resides.	
Step	First Chamber (1-6)	1 - Bill Filed
		2 – 1 st Reading/Assigned to Committee
		3 - On Committee Agenda, Awaiting Committee Action
		4 – Passed out of Committee
		5 - 2 nd Reading
		6 - 3 rd Reading
	Second Chamber (7-13)	7 - Bill Passed First Chamber, Referred to Second Chamber
		8 - 1 st Reading/Assigned to Committee
		9 - On Committee Agenda, Awaiting Committee Action
		10 – Passed out of Committee
		11 - 2 nd Reading
		12 - 3 rd Reading
		13 - Bill Passed Second Chamber
	Conference Committee (14)	14 - Conference Committee (if applicable)
	Governor's Desk (15)	15 - Awaiting Governor's Action
	Public Law (16)	16 - Signed into Law

Status	Bill Number	Bill Title	COVID-19 Related?	Topic(s)	Summary/ Health Workforce Implications	Primary Author	Chamber	Step
Active	SB 1	Civil Immunity related to COVID-19	Yes	Health care workforce	Provides civil immunity for damages resulting from exposure of an individual to COVID-19 on the premises owned or operated by a person, on any premises on which the person or an employee or agent of the person provided property or services to the individual, or during an activity managed, organized, or sponsored by the person.	A: Mark Messmer, Eric Koch, Liz Brown ; CA: Andy Zay, Brian Buchanan, Linda Rogers	Second Chamber	10- Passed out of Committee
Active	SB 3	Telehealth matters	No	Other	Prohibits the Medicaid program from specifying originating sites and distant sites for purposes of Medicaid reimbursement and voids administrative rules with these requirements. Changes the use of the term "telemedicine" to "telehealth". Specifies certain activities that are considered to be health care services for purposes of the telehealth laws. Expands the application of the telehealth statute to additional licensed practitioners instead of applying only to prescribers. Amends the definition of "telehealth". Requires that the telehealth medical records be created and maintained under the same standards of appropriate practice for medical records for patients in an in-person setting. Specifies that a patient waives confidentiality of medical information concerning individuals in the vicinity when the patient is using telehealth. Prohibits certain insurance policies and individual and group contracts from mandating the use of certain technology applications in the provision of telehealth services	A: Ed Charbonneau	Second Chamber	7- Bill Passed First Chamber, Referred to Second Chamber
Active	SB 4	Health care provider immunity	Yes	Health care workforce	Adds: (1) admissions to health facilities or housing with services establishments; and (2) services provided by additional health care professionals; to the definition of "health care services" for purposes of immunity for providing services during a declared disaster emergency. Provides civil immunity for the provision of certain services by persons during an event that is declared a disaster emergency. Removes the immunity requirement that the health care service be provided by a person who has an Indiana license to provide the health care service and that the service is within the scope of practice of the license. Specifies instances that do not constitute gross negligence or willful misconduct for purposes of immunity. Specifies information that must be included in a cause of action. Specifies that health care immunity provisions during a disaster emergency do not modify specified statutes.	A: Ed Charbonneau	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 7	Forensic nurses	No	Health care workforce	Includes forensic nurses within the definition of "advanced practice registered nurse". Provides that a registered nurse who desires to practice as a forensic nurse must complete a biennial forensic nursing educational program.	A: Michael Crider	First Chamber	4- Passed out of Committee
Active	SB 10	Statewide maternal mortality review committee	No	Maternal/Child Health	Specifies that mental health professionals are included as health care providers on maternal mortality review committees.	A: Jean Leising	First Chamber	4- Passed out of Committee
Active	SB 22		COVID-19 Related?	Topic(s)				
Active	SB 27		COVID-19 Related?	Topic(s)				
Active	SB 32	Prohibition of Conversion Therapy	No	Behavioral Health (substance use and mental health)	See digest	A: J.D. Ford	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 36	Psychology interjurisdictional compact	No	Behavioral Health (substance use and mental health)	Establishes PSYPACT for psychologists (temporary in-person and tele-psychology interstate practice)	A: Vaneta Becker	Second Chamber	7- Bill Passed First Chamber, Referred to Second Chamber
Active	SB 46	Licensure of art therapists	No	Health care workforce	Establishes licensing and Medicaid reimbursement for art therapists.	A: Ronald Grooms	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 47	Coronavirus disease immunizations	Yes	Health care workforce	Allows pharmacists and pharmacist technician to administer an immunization for coronavirus disease.	A: Ronald Grooms	Second Chamber	7- Bill Passed First Chamber, Referred to Second Chamber
Active	SB 51	Medicaid reimbursement for schools	No	School Health	Allows the office of the secretary of family and social services to apply for a Medicaid state plan amendment to allow school corporations to seek Medicaid reimbursement for medically necessary, school based Medicaid covered services that are	A: Andy Zay	First Chamber	3- On Committee Agenda, Awaiting Committee Action
Active	SB 59	Occupational therapy services	No	Health care workforce	Allows occupational therapists to provide services for up to 42 days without a referral.	A: Vaneta Becker, Mark Messmer, Ed Charbonneau	Second Chamber	7- Bill Passed First Chamber, Referred to Second Chamber

Active	SB 60	Prohibition on risk based managed care programs	No	Safety net (TANF, SNAP, Medicaid, etc.)	See digest	A: Vaneta Becker, Jean Leising	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 61	Written orders for home health services	No	Health care workforce	Adds advanced practice registered nurses, clinical nurse specialists, and physician assistants as providers who may make written orders for home health services for use by licensed home health agencies.	A: Vaneta Becker, Ed Charbonneau	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 62	Prescription drug rebates and pricing	No	Prescription drugs	See digest	A: Vaneta Becker, Ed Charbonneau	First Chamber	2- 1st Reading/Assigned to Committee

Dead	SB 330	Dental therapists	No	Health care workforce	Establishes "dental therapists" and "advanced dental therapists".	A: Ronald Grooms	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 331	Disposal of unused medications and prescriptions	No	Health care workforce	Requires the Indiana board of pharmacy to require to adopt rules concerning the return or disposal of unused controlled substances or prescription medication: including provide patients with education	A: Ronald Grooms	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 337		COVID-19 Related?	Topic(s)				
Active	SB 363		COVID-19 Related?	Topic(s)				
Active	SB 365	Immunity for physician wellness programs	No	Health care workforce	Defines the term "wellness program" as any board, committee, commission, group, organization, or other entity that evaluates or addresses issues concerning: (1) the wellness of licensed physicians; and (2) career fatigue in licensed physicians. Excludes: (1) impaired physician committees; and (2) employee assistance programs, from the definition of the term. Specifies that the proceedings and deliberations of a wellness program are confidential. Specifies certain exceptions. Specifies that all minutes, records, reports, written expert opinions, written communications, and other comparable memoranda prepared or created by a wellness program are privileged. Specifies certain exceptions. Prohibits all wellness program personnel and participants from revealing or disclosing the substance of wellness program communications, records, and determinations to any person or entity outside of the wellness program. Specifies certain exceptions. Requires a person seeking the production or discovery of confidential or privileged information to prove an exception to specified confidentiality and privilege provisions to a court with competent jurisdiction. Allows a court to mandate the discovery or production of confidential or privileged wellness program information in certain instances. Requires a court to issue a written order when mandating the discovery of confidential or privileged information or memoranda.	A: Michael Crider	First Chamber	2- 1st Reading/Assigned to Committee
Active	SB 366	Physician assistants	No	Health care workforce	under the home health agency law. Changes the name of the physician assistant committee to the "physician assistant licensing board". Transfers responsibility for licensing physician assistants, setting the amounts of physician assistant fees, and adopting rules establishing standards for physician assistants from the medical licensing board of Indiana to the physician assistant licensing board. Eliminates the requirements that a collaborative agreement between a collaborating physician and a physician assistant include all the tasks delegated to the physician assistant by the collaborating physician, specify the protocol to be followed by the physician assistant in prescribing a drug, and be submitted to the medical licensing board. Provides that a collaborative agreement must be made available to the physician assistant licensing board upon request. Provides, as an exception to the requirement that a physician assistant may practice only subject to a collaboration agreement with a collaborating physician, that if a physician assistant practices in a licensed health care facility that has a credentialing process: (1) the physician assistant shall collaborate with and refer patients to appropriate members of the licensed health care facility's health care team; and (2) the responsibilities of the physician assistant and the degree of collaboration between	A: Jean Leising	First Chamber	2- 1st Reading/Assigned to Committee

A: Carolyn Jackson	First Chamber	2- 1st Reading/Assigned to Committee
Active	HB 1021	Health workforce student loan repayment program	No	Health care workforce	Establishes the following: (1) The health workforce student loan repayment program (program). (2) The health workforce council (council). (3) The health workforce student loan repayment program fund (fund) for the purpose of providing funds to repay outstanding student loans of certain health providers who meet the program requirements. Provides that the professional licensing agency (agency) shall, in coordination with the council, administer the program. Establishes: (1) the imposition of fees at the time a license is issued or renewed for certain health profession licenses; and (2) qualifications to receive a student loan repayment award under the program. Provides that, beginning July 1, 2022: (1) each board may award loan repayment to an eligible applicant who is a provider licensed by the board; and (2) the council may award loan repayment to an eligible applicant who is an eligible provider. Requires, not later than July 1, 2023, and not later than July 1 every two years thereafter, the agency to submit a report concerning the program and fund to the governor and the general assembly. Provides that money in the fund is continuously appropriated. Repeals provisions concerning the following: (1) The primary care physician loan forgiveness program. (2) The mental health services development programs. (3) The dental underserved area and minority recruitment program. Active	HB 1048	Practitioner identification and advertising	No	Health care workforce	Provides that a practitioner holding a license issued by the board of chiropractic examiners, the state board of dentistry, the state board of health facility administrators, the medical licensing board, the state board of nursing, the optometry board, the board of pharmacy, the board of podiatric medicine, the speech-language pathology and audiology board, the state psychology board, the board of physical therapy, the respiratory care committee, the occupational therapy committee, the behavioral health and human services licensing board, the physician assistant committee, or the athletic trainers board is subject to disciplinary sanctions if the practitioner: (1) communicates or disseminates to the general public an advertisement that includes deceptive or misleading information or does not prominently state the type of license held by the practitioner; or (2) fails, while providing direct patient care, to wear an identification badge that clearly sets forth the practitioner's first and last name, type of license, and, if applicable, status as a student, intern, trainee, or resident. Establishes certain exceptions. Provides, for purposes of the law prohibiting the unlawful practice of medicine or osteopathic medicine, that "the practice of medicine or osteopathic medicine" includes attaching to an individual's name the words "anesthesiologist", "cardiologist", "dermatologist", or other specified words that identify a member of a medical specialty.	A: Dennis Zent	First Chamber	2- 1st Reading/Assigned to Committee
Active	HB 1057	EMS Immunity	No	Health care workforce	Adds: (1) certified emergency medical responders; (2) certified advanced emergency medical technicians; and (3) licensed paramedics; to certain statutes concerning negligence and emergency medical services. Provides that a certified emergency medical technician who provides certain emergency medical services (EMS) to an emergency patient is not liable for an act or omission in providing those services unless the act or omission constitutes gross negligence or willful misconduct. Provides that a certified emergency medical responder who uses an automatic or a semiautomatic defibrillator on an emergency patient according to certain procedures is immune from civil liability for acts or omissions when rendering those services unless the act or omission constitutes gross negligence or willful misconduct. Provides that an act or omission of a licensed paramedic or a certified advanced emergency medical technician done or omitted in good faith while providing advanced life support to a patient or trauma victim does not impose liability upon the paramedic or advanced emergency medical technician, the authorizing physician, the hospital, or the officers, members of the staff, nurses, other employees of the hospital, or the local governmental unit unless the act or omission constitutes gross negligence or willful misconduct. Active	HB 1078	Public safety matching grant fund.	No	Health care workforce	Provides for the establishment of the Indiana public safety training matching fund for the purpose of encouraging private investment in first responder training and providing financial assistance to public safety training facilities in Indiana that provide first responder integrated, coordinated, and collaborative training to law enforcement, firefighters, and emergency medical services personnel.	A: Gregory Steuerwald, CA; Edmond Soliday, Jim Pressel, Earl Harris	First Chamber	3- On Committee Agenda, Awaiting Committee Action
Active	HB 1079	Practice of dentistry; virtual claim payments	Yes	Oral health	Amends the definition of dentistry. Provides that a dentist may administer an immunization if the dentist: (1) is certified in cardiopulmonary resuscitation; (2) has successfully completed a course of training in immunization that meets specified requirements; and (3) administers the immunization in accordance with a protocol that includes specified requirements and procedures. Prescribes reporting requirements for a dentist who administers an immunization. Provides that a dentist: (1) is not required to administer immunizations; and (2) is not required to complete immunization training if the dentist chooses not to administer immunizations. Provides that a health insurance plan, including a health management organization contract, may not require a dental provider to accept payment under the health insurance plan by virtual claim payment. Requires a health insurer, including a health maintenance organization, to do the following before providing payment to a dental provider by electronic funds transfer, including by virtual claim payment: (1) Notify the dental provider of any fees associated with the electronic funds transfer. (2) Advise the dental provider of the methods of payment available under the health insurance plan and provide clear instructions to the dental provider as to how to select an alternate payment method. (3) Notify the dental provider as to whether the health insurer is receiving a portion of the fee charged for the electronic funds transfer.	A: Dennis Zent	First Chamber	4- Passed out of Committee
