

G.E.N.I. NEEDS YOU !

to become a paid member

in order that we may continue to provide YOU with dynamic resources, professional development opportunities and interaction with your colleagues.

A GENI Membership entitles you

- a) to receive the bi-monthly newsletter which is full of:
 - * classroom ideas on incorporating geography across the pre-school through twelfth-grade curriculum,
 - * resources for your classroom,
 - * information about professional development opportunities,
 - * highlights about your colleagues,
- b) to receive the National Geographic Society's Geography Awareness Week packet of lesson plans, posters and games celebrating GAW,
- c) to participate in GENI-sponsored professional development opportunities,
- d) recognition for outstanding geography in the classroom,
- e) access to the latest information about geography education via the GENI Home Page,
- f) a voice in the development of challenging, appropriate and empowering geography curriculum at all grade levels.
