# Our Challenge

- To provide our large multi-campus statewide system with:
  - Relevant professional development opportunities for all our medical educators and staff
  - Formative opportunities for our learners to engage with a community of scholars
- The accreditation standards of the Liaison Committee on Medical Education (LCME) set explicit requirements in both regards.

# To Address This Challenge...

We implemented an Annual **school-wide** Education Day involving:

- All 9 IUSM campuses
- All faculty and staff
- All learners including:
  - Medical students
  - Residents
  - Fellows
  - Graduate students
  - Post-docs

# Conclusions

IUSM's Annual Education Day has established itself as a **successful** venue to:

- Share educational best practices
- Forge new collaborations
- Encourage participation from all nine IUSM campuses
- Involve our faculty, staff, and learners
- Provide a common learning experience available to all IUSM medical students, a necessity for LCME accreditation
- Promote the teaching mission of our multi-campus system
