

THE LGBTQ+ INDEX 2025:

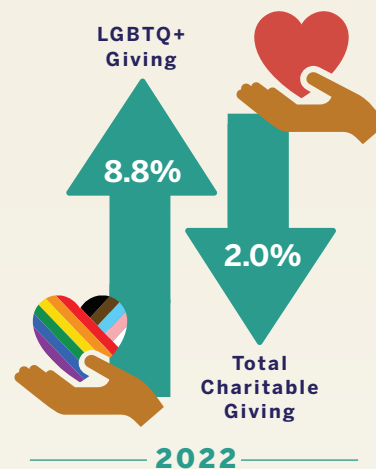

MEASURING GIVING TO LGBTQ+ ORGANIZATIONS

The LGBTQ+ Index is a project of the Equitable Giving Lab and tracks support for charitable organizations primarily dedicated to serving the LGBTQ+ community in the U.S.

Philanthropic support for LGBTQ+ nonprofits grew by 8.8% from 2021 to 2022, outpacing overall charitable giving growth rate (-2.0%).

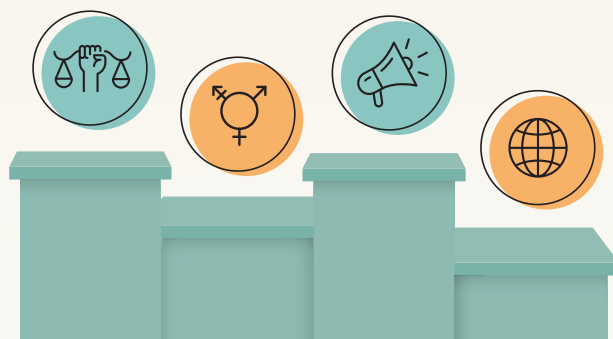

LGBTQ+ organizations continued to receive increasing levels of support each year between 2012 and 2022, with 2022 marking the highest level recorded to that point at \$908.9M.

Giving to LGBTQ+ organizations continues to represent a growing share of total philanthropic giving, now at 0.17% from 0.10% in 2012.

Civil rights and advocacy continues to be the largest category of LGBTQ+ organizations by donation, receiving over half a billion dollars. Focus areas with the highest growth for 2021-2022 included those serving immigrant and refugee communities, homelessness and trans-focused organizations.
