

Research Partnerships: Undertaking and Understanding Collaborative Ethnography in Indianapolis

Susan Hyatt IU School of Liberal Arts; Daniel Branstrator, Margaret Baurley, Molly Dagon, and Stephanie Yarian, Anthropology Students, and Members of Community Heights Neighborhood Organization

Students will present a range of collaborative research projects they have undertaken in consultation with neighborhood and community-based organizations in Indianapolis. They will address the benefits, challenges and limitations that collaborative research has posed for them, as ethnographers-in-training
