

Annual License Renewal Fees for Select Health Occupations by State

February 2020

Produced by: Bowen Center for Health Workforce Research and Policy

Methods

Objective

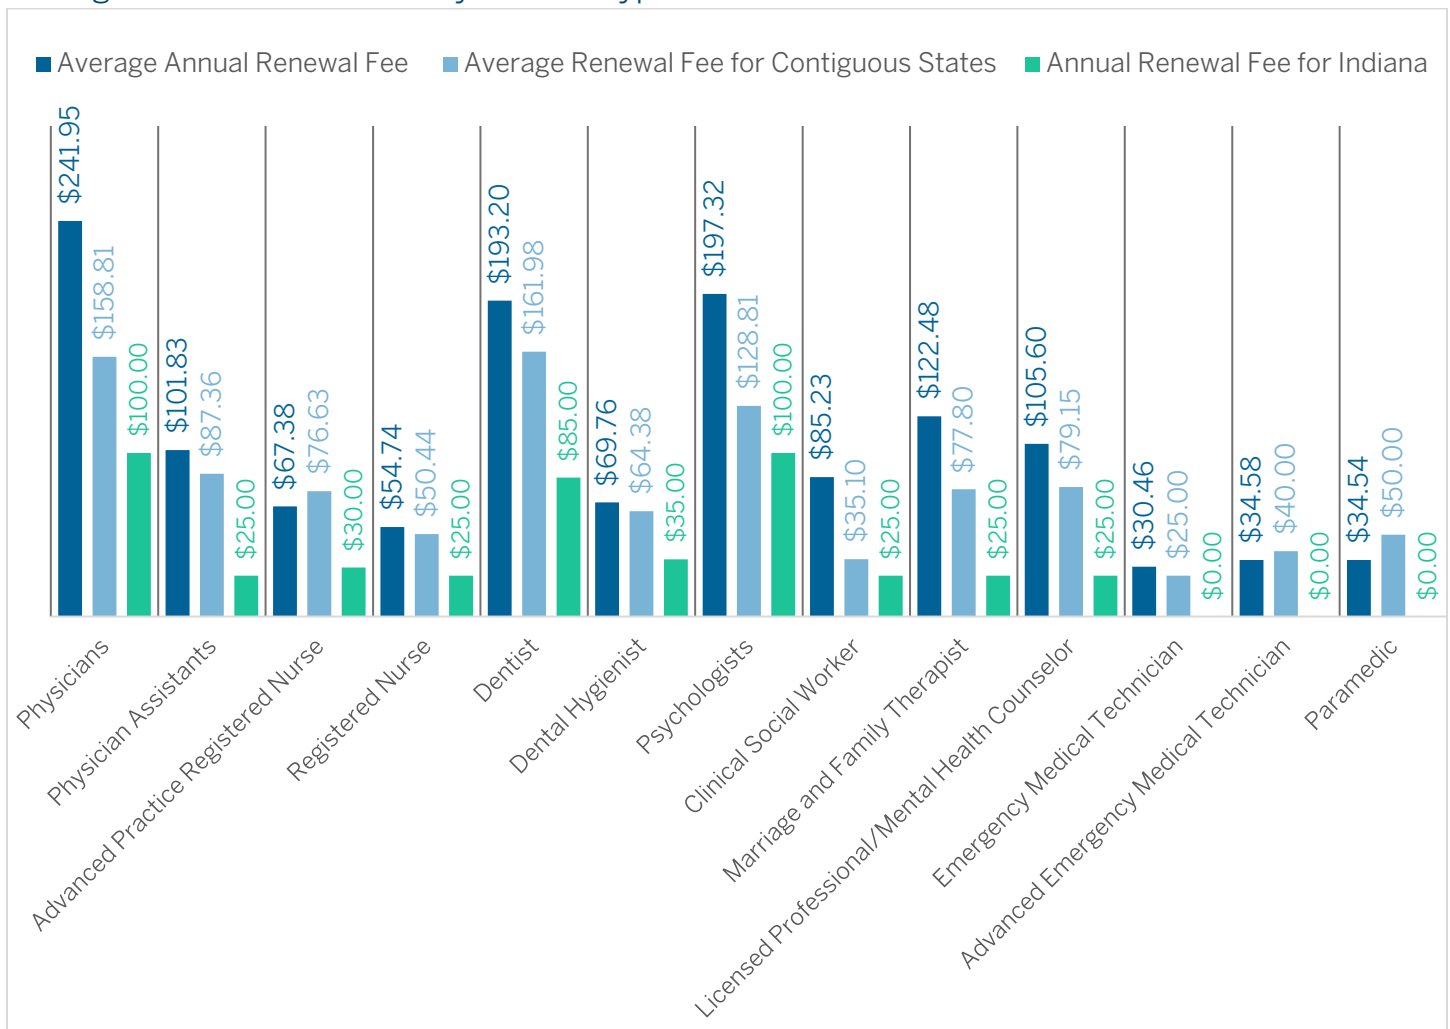

To provide stakeholders with a resource that contains the costs of license renewal fees, period of license renewal, and license renewal fee per year (calculated as “total renewal fee” / “period of license renewal”) for select health occupations.

Disclaimer

This document contains information that was publicly accessible and able to be located by Bowen Center staff. The information was identified in February 2020. Although we strive to keep our content and documents accurate, current and up-to date, we cannot guarantee that all of the information is completely current or comprehensive (missing information is identified on the subsequent pages). (Note: prescribing/controlled substance licenses were not included in the analysis unless unable to parse out renewal from primary occupational license).
